<ul style="list-style-type: none"><li>deleting branches after finishing features</li></ul>		<ul style="list-style-type: none"><li>using different branches for different features</li></ul>
<ul style="list-style-type: none"><li>make sure everyone was on the same page</li><li>problems with communication led to misunderstanding requirements</li><li>ask more questions about requirements during meetings</li></ul>		<ul style="list-style-type: none"><li>pull requests!</li></ul>
<ul style="list-style-type: none"><li>use the FE and BE chats for discussion instead of private messaging</li></ul>		<ul style="list-style-type: none"><li>keep attending standup meetings</li></ul>
<ul style="list-style-type: none"><li>write test cases with your BE code</li></ul>		<ul style="list-style-type: none"><li>asking questions is good</li></ul>
<ul style="list-style-type: none"><li>ask people on Discord for CR and if no one answers within 2 hrs, ping someone specific</li><li>merge dev into branch before making PR</li></ul>		

## Action items

- ☐ change the Jira process for the sprint board to discard code review and in testing BUT needs to now add tests and get CR before moved to finish
