💬 Retrospective

Start doing	Stop doing	Keep doing
• more tests	• code comments in Chinese	• passing tests • working
• for splitting up cards, have people do both FE and BE for dependent cards • no dependent cards for others	•	• **not dropping c01**
• more talking…	•	• winning

General blockers:

- **C01 exam (higher priority than the sprint)**
- lots of projects due this week

✅ Action items
