Presenter	Notes
Kaspian	- looked into mongo atlas to maybe move our db - no blockers
Chloe H	- No blockers - Start working on layout
Chloe P	- Start working admin approve new washroom feature - No blockers
Like	- finished FE for login and create account - add link from login to homepage - needs to fix security bugs with login tokens - no blockers
Vivian	- didn't do anything - will work on FE for creating a new admin - no blockers
Grunt	finished getting washroom BE
Hank	- was blocked by user login - working on FE getting the token

Extras:

- for automated testing, want to use local instances of the database and possibly create copies of a test database so that there is no concurrency issues
